Berti Mariani

**FROM THE CLUB COACH**

By Berti Mariani

Three losses in a row is not something you would expect to be positive for a side. However, for those that have watched all of those games, especially the last two home games, we have not been outplayed by either of Adelaide City nor Sydney United until reduced to ten men.

In fact, in both games, the players fought back to make both teams work fairly hard for their points. The turning point in both games was not the football played by the opposition, but decisions according to the new FIFA laws and interpretations, and it is this area we as a team and a club have addressed recently.

As a team we have worked hard at recognising and reducing the areas that these errors are coming from, however, we and other clubs have also addressed the relevant authorities as to the problems associated with such new aspects to the laws and how they are affecting the game as a whole.

So during this time of transition, I ask you, the true Wolves supporter, to be patient and support your team the best way you can during these times of poor results. Be sure that, as was demonstrated in the last two home games, we can match it with the best, and the results will soon reflect this ability.

Larry Gaffney

**YOUTH TEAM REPORT**

BY DENNIS TREVOR [MANAGER]

**Les Scheinflug Youth Cup**

Round 3 vs Sydney United at Brandon Park on 20/10/95

Loss 3 - 0

Our youth team is coming along as the coach would wish, notwithstanding our loss last Friday evening to Sydney United. On that occasion we were outgeneraled, in the second half, by a side that contained many experienced players.

It should be appreciated that the squad contains ten [10] 16 year old players, and it will take some time for them to consistently perform at a high level, however it will come, and when it does it will be well worth the wait.

The lads are looking forward to today's game against Parramatta Eagles. Both teams play with a certain amount of flair and like to move the ball around, so an exciting game is assured.
